100 Percent Attendance

Regular attendance is essential to a strong and active Rotary Club. The emphasis on attendance is traced back to 1922 when Rotary International announced a worldwide attendance contest that motivated thousands of Rotarians to achieve 100 percent attendance year after year. Many Rotarians take great pride in maintaining their 100 percent record in their own club or by making-up at other Rotary club meetings. Rotary stresses regular attendance because each member represents his own business or profession and thus the absence of any member deprives the club of the values of its diversified membership and the personal fellowship of each member.
