***Four Avenues of Service***

The term "Four Avenues of Service" is frequently used in Rotary literature and information. The "Avenues" refer to the four elements of the Object of Rotary: Club Service, Vocational Service, Community Service and International Service.

Although the Avenues of Service are not found in any formal part of the constitutional documents of Rotary, the concept has been accepted as a means to describe the primary areas of Rotary activity.

**Club Service**-involves all of the activities necessary for Rotarians to perform to make their club function successfully.

**Vocational Service**-describes the opportunity each Rotarian has to represent the dignity and utility of one's vocation to the other club members.
